MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Recreational Fund

REFERENCE : Memo to DD/S from AC/DPD (IDEA 0536-61),
dated 18 Oct 1961, SUBJ: Establishment
of Fund for Recreational and Morale Purposes

1. This memorandum contains in paragraph 4 a recommendation for the approval of the Deputy Director (Support).

2. The reference granted approval to establish a one-time recreational fund in the amount of \$1,000 at the IDEALIST Detachment  This fund was established  to provide for the purchase of items and services deemed necessary to maintain a high state of morale. Since the future operations of the Base at that time were somewhat vague and contingent upon political approval, a one-time recreational fund was requested. Subsequent to the time the reference was approved, the Detachment has become operational and it now appears the Detachment's present status could be considered semi-permanent barring unforeseen circumstances.

3. Recently the Chief of Base  again requested that a recreational fund in the amount of \$1,000 be made available in FY-1963 based on the same justification and circumstances outlined and approved in the attached reference. We agree with the Chief of Base that this expenditure is justified. Sufficient funds will exist in the IDEALIST budget to defray the cost.

4. It is recommended that the Deputy Director (Support) approve an expenditure not to exceed \$1,000 in FY-1963 to provide recreational equipment for  Detachment.
